Vol. 2. No. 1. MELBOURNE Saturday, 7th May 1949

The President's Message.

Sir Raymond Connelly, hon. president of the Victorian Soccer Football Association, wishes all clubs, committee members and players every success for the season just started.

Reminding followers that Soccer will be the only game of football played in the 1956 Olympic Games, Sir Raymond says the association has been given years' notice to build an Australian team of world standard.

Thus, Soccer here has the greatest opportunity in its history to better itself.

The great range of work will be required demands that an early start be made to the planning. Appointment of an overall planning committee should be the first step.

The Commonwealth Soccer authority might well consider extending an invitation to leading teams from the United Kingdom and Dominions and other countries that would surely be interested.

1956 ! The world's outstanding Soccer teams will assemble here to compete in games which will not only be of outstanding interest in themselves, but will throw Melbourne's football spotlight on Soccer — a game competing for popularity with the almighty Australian Rules.

Such prospects are indeed stimulating.

STOP PRESS.

5/5/49

It is with sincere regret that we hear, as the "News" goes to press, of the sudden death of our President, Sir Raymond Connelly. Our messages of sympathy will be fully expressed in next weeks' issue.

To everyone associated with Soccer it should now become a matter of proud concern to justify the game's increased importance. The time we have will not be adequate unless all clubs in every State put immediate life into the task of planning.

Un-co-ordinated expediency should not rob Soccer of this glorious opportunity to make real progress. Those in the position to give the lead will have to have foresight and energy in carrying out the new assignment that has been bestowed on the game.

LOOKING AHEAD.

Prospects for the 1949 Soccer season look like being most promising and a higher standard of play can be expected as a result of a big increase in the number of clubs and players.

Newcomers from oversea have not only added an international flavor, but they include several members from high-grade clubs whose skill will contribute much to the game in Victoria.

Last, but not least, the efforts of individual club management committees are to be mentioned. Through their devotion and unceasing hard work

they have attracted young players to Soccer — juniors who are necessary for the Association's progress.

It will be the junior players of to-day who will provide material for selection of an Australian team to play in the 1956 Melbourne Olympic Games against the world's best teams. It is up to the clubs to fully co-operate in this field.

The 1956 Games also need a strenuous effort from players and enthusiasts, as the work ahead will be extensive and far greater than we may imagine at present.

It is not generally known by the public that Soccer is one of the main events of an Olympiad, as the press gave only scant reports of this sport in the 1948 London games.

Therefore, soccerites, now is the time for every enthusiast to be certain that his family and friends are well informed of the possibilities for Australian youth in the Soccer section of the Melbourne Olympic Games 1956.—Rudolp Stynis.

LETTERS TO THE EDITOR.

CONGRATULATIONS.

Congratulations to the members of the V.S.F.A. responsible for the decision to continue Soccer News. The paper did great work last year in popularising our Code.

The addition of two teams to senior divisions surely indicates the game is growing in Victoria, and among the thousands of people who have arrived here since last year there must be many who will take an active part in Soccer.

So it is now more than ever the responsibility of Soccer News to let a fellow know how the other fellow is getting on, through such items as league ladders and club jottings.

Here's wishing the paper all the success it deserves for 1949.

A. ROTHNIE, President Ringwood Soccer Club.

WHO IS RESPONSIBLE?

Who is the man responsible for Sandringham City's success? This team plays the right kind of soccer.

—"CURIOUS."

BAD MANAGEMENT.

We enter into what promises to be a most successful year. With wise administration by the council there is no limit to the heights the Code in Victoria could reach.

But an instance of bad management was two clubs having to leave the competition through lack of funds. The council may say it is the clubs' concern, but I insist it is the council's business to watch out for such affairs.

A little wisdom and these clubs and others who may find themselves in a similar position could be saved. A council member could be delegated to attend club meetings in an advisory capacity. And there are some very able club secretaries who surely, if asked by the council, would willingly give their time and experience to help p[illegible]ess fortunate clubs on a business footing.

PETER McCORD, Yarraville.

SCHOOLBOY RECRUITS.

Now that the Olympic Games have been allotted to Melbourne, all clubs should strive to promote Soccer in their districts and give the schoolboys of to-day the coaching necessary to equip them for 1956.

Box Hill Club realises that to ensure sufficient junior players being available to fill the three age groups it is essential to recruit more and more schoolboys.

The club has therefore made special efforts this year to provide facilities for boys between 11 and 13. At present, 24 boys are being coached by senior player Jack Holbern.

—A. S. JARVIS, secretary Box Hill Club.

CLUB JOTTINGS.
FOUR TEAMS FIELDED.

Because of growing enthusiasm for Soccer in these parts, Ringwood is now fielding four teams.

Our senior teams got off to a good start on the opening day of the season, and all players are looking forward to continued success.

Flood lighting has been installed on our ground at Bedford Park and players are reponding well to night training.

The club is pleased to welcome new faces to the committee table.

Our social activities have always been important, and during last summer our efficient social secretary (Mr. Peter Mackie) organised many picnics at seaside and country.

Each alternate Tuesday, dances are held in the Ringwood Town Hall. Members of other clubs are welcomed to these functions and a happy evening assured.

OVERSEA NEWCOMERS.

Former players Bill Stewart, Billy Redfearn, Len Asling and Tich Guy have resumed activities with Park Rangers, and some oversea newcomers have joined us. They are doing well.

The club has opened the season with greater enthusiasm than ever. The seniors are keenly interested in the juniors, which spaks well for the future.

Arrangements are in hand for an international game between Australia and England at Middle Park at 3 p.m. tomorrow.

JUNIORS IMPROVING.

Sandringham City juniors, under coach Norm Shingles, are improving each week, and we are looking forward to some good matches on the home ground.

Our senior section has got away to a fine start, the first team being undefeated in three games and turning on a fast, non-stop style of football which is a treat to watch.

Joe Walton, at centre forward, is in deadly form, having already kicked five goals. Some of his trick shots are a headache to opposing goalies.

Next club function will be a dance at Scouts Hall (near Hampton Station) on May 13.

We regret to announce that our president (Mr. V. J. M. Dixon) has resigned. Mr. J. McLennan has been appointed to the office.

SPECIAL NOTICE.

Club secretaries and correspondents are advised that the editor of Soccer News (Roberts Dunstan) will receive club reports of matches and other news items for publication, in Monday's post. Address contributions care of The Herald, Flinders Street.

The editor would like reports kept as concise as possible. Goal kickers and best players hould be included.

LETTER FROM EDITOR.

The Soccer News committee has requested me to announce my appointment as editor of this paper.

I am grateful for the committee's faith in my journalistic abilities and the opportunity to help in selling Soccer to the people of Melbourne.

Soccer News is established and popular as a sport sheet, but there is no reason why its circulation should not be doubled by the end of the season. How can that be achieved? Readers can tell their friends and neighbors about the paper. Word of mouth publicity will sell anything. Don't read the News and throw it away. Take it home and interest the family. Pass it on in a tram, in your street, at the office and the factory.

Better still, buy two copies each Saturday and give one away. You don't need a financial brain to figure that as a good investment.

Help me to brighten and make Soccer News an even more popular news sheet. I shall welcome constructive criticism and any suggestions whatsoever. (Mail should be addressed to me care of The Herald, Flinders Street, and arrive in Monday's post).

This is YOUR paper. It's up to you—ROBERTS DUNSTAN

PRAHRAN SEEK JUNIOR PLAYERS.

Prahran under 19 team are seeking new members. Any club which has a surplus of juniors is asked to assist Prahran by sending them along to Como Park. Prahran is endeavoring to keep its junior team in the competition, but is faced with withdrawal unless they can obtain a few more players within the next few weeks. The acting secretary of Prahran (Mr. J. Paul, of 20 Moffat Street, South Yarra) will be glad to hear from any junior desiring a game.

WILLIAMSTOWN CHANGES WITH COBURG.

Owing to Coburg being unable to field a reserve team, the club has moved to the Third Division. Williamstown will now move to Second Division and will play Coburg's fixtures. Coburg will play Williamstown "B" fixtures in the Third Division.

RESULTS OF GAMES.

Club secretaries are reminded that home clubs are responsible for all results of matches played to be forwarded to the Association secretary (Mr. A. Mackie, 18 Kerford Place, Albert Park) by Tuesday morning's post.

Junior results must be phoned to the Junior Association secretary (Mr. J. A. Olsen, 314 Inkerman Street, East St. Kilda, phone LB1444) by 2 p.m. Sunday.

VACANCIES IN JUNIOR ASSOCIATION.

Vacancies exist in the Junior Association competitions for an under 19 and an under 17 team. Clubs desiring to enter additional teams in these competitions are requested to contact the Junior Associaion secretary (Mr. J. A. Olsen) as soon as possible. Phone: LB 1444.
